This class is a combination of a time of intercessory prayer followed by the discipleship class instruction.

This class includes child care. You must inform the office no later than Tuesday morning that you will need child care that evening.

Elders Jerome and Louise Trombly are the instructors.  
No child care is provided at this site.

## HEALING HEARTS

The support group meets at Renewal Church, located at 11174 East 13 Mile Road in Warren. For more information on upcoming meetings call Dan Hitz at 586-739-5114.

## KENYA MISSION RESCUE

Our church has been supporting a group of young girls from the Maasai tribe in Kenya. The laws have changed in Kenya and female circumcision is now considered illegal, but the Maasai tribe continues to practice this and to marry their young girls off very young, sometimes as young as 8 years old. We have been involved in rescuing girls from 2 local villages and putting them in school with boarding. Cost is approximately \$35 per month with approximately \$15 per month for books, school supplies, hygiene products, and uniform that need to be replaced every other year. In November when the schools let out, we have been paying for a safe house for the girls to stay in until school resumes in January. If you are able to help support the girls monthly or would like to make an occasional/one time donation, please fill out a church envelope with your name and the amount being given, frequency and write Mission Rescue on the envelope. Make checks out to LHCF with Mission Rescue in the memo line. Any questions please see Jan or Matt Abbott.

## LIBERTY FAMILY OUTREACH 2017

Liberty Family Outreach (LFO) is changing the way Summerfest is run as we have known it. Here is the schedule of events for 2017.

### Prom Outreach (Operation Glass Slipper) - April 29 @ Liberty Church

LFO is collecting gently used prom dresses. These dresses will be used to bless girls with a dress of their choice and a bag containing make up samples and a Bible.

### Community Baby Shower - June 17 @ Liberty Church

LFO has collaborated with the Compassion Pregnancy Center to host a community baby shower. The mothers for whom the shower is hosted will have just completed an 11 week "Embraced by Grace" class. LFO will have the names of each young mother ahead of time and will write letters of encouragement and prayers to each one. We will get to love on these young mothers at a beautiful shower for them & their guests. The hope is to connect them with a church so they will continue to be loved and encouraged as they move forward.

### Health Fair - date to be determined

LFO will hold a health fair with one dental and one general health/physical.

### Back to School Backpacks and Hair Cuts, etc. - August 26

This will be comparable to a "mini Summerfest." Families in the area will continue to be helped by providing school supplies, haircuts, etc.

# Detroit Partnership

Detroit Partnership is committed to enhancing the capacity to work across denominational, racial, ethnic and geographic boundaries.

Detroit Partnership is a networking mechanism that provides training, networking and resourcing to promote racial, denominational and geographical unity among churches and Christian organizations in city and suburban Detroit, Michigan.

Detroit Partnership is the outcome of lessons learned from 1988 through 2006 with: (1) The Pastor's Development Program for 100 pastors in Mississippi, from 1988 to 2000; (2) The Skillman Foundation Faith-Based Initiative "A Call to Service" 47 churches serving 2300 children and youth in Detroit, MI, from 2001 to 2006; (3) Convoy of Hope Superbowl XL Day of Outreach serving 8725 citizens at Michigan State Fairground in Detroit, MI, in February 2006; (4) Al Kuhnle encouragement and financial support through City Light in 2007.

Detroit Partnership is establishing a role for itself of planting visions, perspective and ideas and then bringing leaders together to collaborate on the work necessary for those ideas to take on a life of their own, which allows for the freedom necessary to expand in God's timing and according to His plans.

Detroit Partnership is a place to prepare pastors, churches and faith-based organizations in the field of community philanthropy, an emerging field of sharing and giving in a neighborhood context.
