## KENYA MISSION RESCUE

Our church supports a group of young girls from the Maasai tribe in Kenya. The laws in Kenya make female circumcision illegal, but the Maasai tribe continues to practice this and to marry girls off as young as 8 years old. We are involved in rescuing girls from 2 local villages and putting them in school with boarding. Cost is approximately \$35 per month with approximately \$15 per month for books, school supplies, hygiene products, and uniforms that need to be replaced every other year. In November when the schools let out, we help pay for a safe house for the girls to stay in until school resumes in January. If you are able to help support the girls monthly or would like to make an occasional donation make checks out to LHCF with Mission Rescue in the memo line. Any questions see Jan or Matt Abbott.

## WHY JESUS? REBOOTED

## LHCF SECURITY TEAM

Lord of the Harvest has a Security Team that helps keep our members and our building safe during Sunday service and at various meetings. **We currently are in need of volunteers to commit to one Sunday every four to six weeks.** Responsibilities would include being at the church before 10:00 am, greeting people as they arrive, overseeing activity in the foyer and Sunday School rooms during the service, and staying until all children are picked up and with their parents. # LIFE REMODELED DURFEE INNOVATION SOCIETY

## SERMON NOTES

As 2018 marks the 51st year anniversary of the 1967 Detroit uprising, Life Remodeled and partners are continuing to invest in the neighborhood surrounding the Durfee Innovation Society in the community where Detroit's civil unrest began. In the past, Life Remodeled made one year commitments to neighborhoods and has now decided to commit four years to the neighborhood surrounding Durfee K-8 and Central High School.

### 2017

In 2017 alone Life Remodeled began renovating and re-purposing the former Durfee K-8 school building (adjacent to Central High School) into the Durfee Innovation Society. Projects included:

- repairing 53 homes
- mobilizing 11,032 volunteers in six days
- boarding up 534 vacant houses
- removing blight on 367 blocks

### 2018

This year, they will mobilize another 10,000 volunteers on the same blocks, but go beyond blight removal. In response to the vision and requests of students and community residents, they will:

- plant at least 1,000 trees and perennials
- build community gardens
- install little free libraries
- designate the safest routes to schools with artwork
- upgrade several parks
- install new bus shelters
- add neighborhood signage

Because fall is a good time to plant, Life Remodeled 2018 Six-Day Project will take place **October 1 – 6**. If you are interested in volunteering please go to [www.liferemodeled.com/volunteer](http://www.liferemodeled.com/volunteer). You need not be available for the entire 6 days, but when you go online you can designate dates and times you would be available. Flyers are on the information desk. If you would like to volunteer but do not have access to the internet please call the office (586) 498-8869 or see Louise and we can register you in the church office.
